Saint Louis, 21 February 2025 – Kataman Metals LLC (“Kataman”) today announces that Joshua Canning-Mendel will become the Global President of Kataman, effective 1 July 2025.

Joe Reinmann, CEO of Kataman said: *“We are thrilled to announce the promotion of Joshua to the role of Global President. Under his visionary leadership, we are confident that Kataman will continue to innovate and expand our global footprint”.*

Joshua Canning-Mendel said: *“I am deeply honoured and humbled to be chosen to lead Kataman during this exciting time in the company’s evolution. Under Korea Zinc’s leadership, we have an incredible opportunity to expand our role in the global circular economy by supplying critical recycled metals to the industries that need them most. I look forward to working alongside our talented team to drive significant and sustainable growth while continuing to deliver value and exceptional service to our customers.”*

Biography – Joshua Canning-Mendel

Joshua was appointed Managing Director Asia-Pacific in 2022 following Kataman’s acquisition of Select Metals. Under his leadership, the Asia-Pacific division became one of Kataman’s most successful, playing a key role in marketing the company’s global supply of recycled metals to Asia.

Prior to joining Kataman, Joshua was the Founder & Managing Director of Select Metals Pte Ltd, Singapore. Established in 2012, Select Metals grew to become one of the largest trading companies of recycled non-ferrous metals in the Asia-Pacific region. The company was recognized as one of Singapore’s fastest-growing businesses in 2020.

With 25 years of experience in international trading and recycling, Joshua has lived and worked in Australia, New Zealand, Hong Kong, France and Singapore. He will relocate to St. Louis, Missouri in July 2025.
